

We are here on standby during this holiday season to respond to any last minute inquiries you might have and to making sure your project runs smoothly.

Solution-Soft Season's Greetings

Solution-Soft has a lot to be thankful for in 2016 –our customers, for giving us the opportunity to serve, great employees committed to the best at work & to our customers, and the rollout of Time Machine's suite of products, which are advanced, robust and easy-to-use. Watch our [Time Machine Suites of Products](#) video to learn more. We are also thankful for the privilege to do charity work within our community and see the impact of those efforts.

We especially thank you, our customers, for keeping us informed of your satisfaction about our solutions that help ensure a smooth project deployment so your business processing applications can be operated 24x7. We are excited to learn our Time Machine software aids in the completion of critical projects efficiently and meets your go-live dates so that you and your business can be successful.

Thanks for your business and continuing trust.

Solution-Soft's team wishes you a happy holidays and a prosperous 2017!

Solution-Soft Management Team
