

Solution-Soft

Solution-Soft Year in Review

Customer Success • Product Innovation • Company News

With 2026 kicking off, we look back at the year with two prominent Customer Usage Success Stories we found share worthy. We also share some of the year's Press Releases which show significant product enhancements and features. By amplifying these insights and resources, we believe it will help your future and ongoing critical application testing and container migration projects.

IN SPOTLIGHT:

SUCCESS STORIES

Atruvia AG: Streamline & Future-Proof Testing Processes with Time Machine®, the Time Travel Testing Software Solution.

[Read More](#)

"Time Machine has been a game-changer for us. It provided the precise time-control capabilities needed to optimize our testing processes and ensure future-proofing of our systems. The Solution-Soft team's proactive support made all the difference in delivering a smooth and successful implementation."

*Andreas Wöhrle, Technical Project Manager
Atruvia AG*
