

SOLUTIONSOFT SYSTEMS, INC. SOFTWARE LICENSE AGREEMENT
THIS SOFTWARE LICENSE AGREEMENT (this "Agreement") sets forth the terms and conditions of the license granted by SolutionSoft Systems, Inc., a California corporation ("3S"), to Licensee for Time Machine (TM) (in object code form only).

1. License. 3S grants to Licensee a limited, non-exclusive, non-transferable license to use the Software and associated user manuals and technical documentation (the "Documentation") solely for Licensee's own internal business purposes, subject to the terms and conditions of this Agreement. The Software is licensed for use only on the computer systems, sites or networks authorized by 3S. An upgrade of the central processing unit for any such computer system or site or for the server for any such computer network will be deemed a different computer system, site or network for purposes of this Agreement.
2. Copies. Licensee may make copies of the Software for backup purposes only and may copy the Documentation only as reasonably required by Licensee for user reference, training and backup purposes. All copies of the Software and Documentation will include reproductions of 3S's proprietary notices, labels and marks.
3. Covenants. During the term of this Agreement, Licensee will not:
 - (a) Sublicense, assign, lease, encumber or otherwise transfer or attempt to transfer the Software or Documentation or permit any third party to use or access the Software or Documentation;
 - (b) reverse engineer, decompile, disassemble or create derivative works of the Software or export or re-export the Software or Documentation in violation of any applicable laws, rules or regulations;
 - (c) Remove or alter any proprietary notices, labels or marks on or contained in any part of the Software or Documentation; or
 - (d) Install the Software on any computer system, site or network other than as authorized by 3S, except in the event of temporary hardware unavailability or for the purpose of disaster recovery testing.
4. Intellectual Property Rights. Licensee recognizes 3S's intellectual property rights, including patent, trademark, copyright and trade secret rights in the Software and Documentation and acknowledges that 3S retains all title and ownership rights in all copies of the Software and Documentation (and any enhancements or new versions provided to Licensee under any Maintenance Addendum) and all diskettes and other media containing the Software.
5. Fees and Taxes. In consideration for the license, Licensee agrees to pay to 3S all license fees within thirty (30) days following the date of 3S's invoice for the same. Past due amounts will bear interest at the lower of 1-1/2% per month or the maximum rate permitted by applicable law. Licensee will be solely responsible for any sales, use or

other taxes that may arise in connection with the license or Licensee's use of the Software (other than taxes payable with respect to 3S's net income).

6. Software Warranty.

(a) For the period of thirty (30) days following delivery of the Software (the "Warranty Period"), 3S warrants to Licensee that (i) all diskettes or other media containing the Software will be free from defects in manufacturing or workmanship, and (ii) the Software will perform substantially in accordance with the Documentation in all material respects. For purposes of this Agreement, the Software shall be deemed to be delivered upon the earliest to occur of the following events: (i) the receipt by Licensee of the physical media containing the Software; or (ii) the receipt by Licensee of an e-mail containing the Software; or (iii) the downloading of the Software by Licensee from 3S's web site or otherwise.

(b) As Licensee's sole and exclusive remedy for breach of the foregoing warranties, 3S will (i) provide Licensee with replacement diskettes or other media free of charge during the Warranty Period, and (ii) use reasonable efforts to correct any reported failure of the Software to perform substantially in accordance with the Documentation in any material respect during the Warranty Period.

(c) 3S DISCLAIMS ANY AND ALL OTHER WARRANTIES RELATING TO THE SOFTWARE AND DOCUMENTATION, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

7. Maintenance and Support. Except to the extent provided in Sections 6(b) (ii) and 8(b), 3S is under no obligation to maintain, update, correct, enhance or replace the Software. Maintenance and support of the Software will only be provided separately by 3S under an effective maintenance and support agreement.

8. Intellectual Property Indemnification.

(a) 3S will indemnify, defend and hold harmless Licensee from and against any claim that the Software or Documentation infringes any third party U.S. patent, trademark, copyright or other intellectual property right, provided that (i) Licensee promptly notifies 3S of any such claim, (ii) Licensee tenders to 3S the right to defend and settle such claim through counsel of 3S's choice, and (iii) Licensee cooperates with 3S in the defense or settlement of such claim.

(b) Upon notice of any such claim, 3S will either (i) procure the right to allow Licensee to continue to use the Software and Documentation, or (ii) replace or modify the Software or Documentation to make it non-infringing; provided, however, that, in the exercise of its sole discretion, 3S may terminate this Agreement and provide Licensee with a refund of the unused portion of the License Fee, assuming allocation of the License Fee over a five (5) year useful life of the Software.

(c) This Section will not apply to the extent that any claim of infringement results from any modification or unauthorized use of the Software or Documentation by Licensee or

any third party. The remedies provided in this Section 8 are Licensee's sole and exclusive remedies with respect to any claim of infringement.

9. Limitation of Liability.

(a) In no event shall 3S's aggregate liability to Licensee under this Agreement for actual damages for any cause whatsoever be greater than the amount of the License Fee. The limitation of damages set forth in this Section 9 is a fundamental element of the bargain between 3S and Licensee, and 3S would not license the Software on any different terms.

(b) IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF DATA, LOST PROFITS OR COST OF COVER, WHETHER SUCH DAMAGES ARE BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE.) PRODUCT LIABILITY OR OTHERWISE AND EVEN IF SUCH PARTY OR ITS AGENTS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF A REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE.

10. Confidentiality.

(a) Recipient will keep in confidence and protect all Confidential Information of Discloser from disclosure or use by third parties and will use at least the same degree of care in this regard as Recipient uses to protect its own confidential information. Recipient will only disclose such Confidential Information to employees, consultants or other representatives of Recipient who have a bona fide need to receive such Confidential Information and who have entered into appropriate non-disclosure agreements with Recipient.

(b) For purposes of this Agreement: (i) "Confidential Information" means any information disclosed by Discloser to Recipient, directly or indirectly, in writing, orally or by drawings, observations or otherwise, that is clearly marked "proprietary," "confidential" or the like or that is not so marked but is described as proprietary or confidential by Discloser at the time of disclosure and is verified as such in a writing within 30 calendar days; (ii) "Discloser" means the party disclosing any particular Confidential Information; (iii) "Recipient" means the party receiving any particular Confidential Information; and (iv) "Confidential Information" as disclosed by 3S includes the Software and the Documentation. Recipient's obligations under this Section 10 will not apply to the extent that Recipient can document to the reasonable satisfaction of Discloser that such information, without restriction on use or disclosure, was in the public domain through no action of Recipient, rightfully received from a third party, rightfully known to Recipient, or generally made available to third parties.

11. Termination; Effect of Termination.

(a) This Agreement and the license granted hereby may be terminated:

(i) immediately, upon Licensee's breach of any of the provisions of Sections 3 or 10;(ii) upon any other material breach of this Agreement and continuance of such breach without cure for a period of thirty (30) days following notice from the non-breaching

party;(iii) immediately, in the event either party becomes subject to bankruptcy or insolvency proceedings or makes any assignment for the benefit of creditors; or (iv) as provided in Section 8(b).

(b) Upon termination, Licensee will promptly discontinue using the Software and the Documentation, delete the Software from all of Licensee's storage apparatus, and will promptly return all copies of the Software and Documentation, or certify destruction of the same, to 3S.

12. Notices. All notices and consents required or permitted by this Agreement must be given in writing by personal delivery, facsimile (with written confirmation), first class mail or express courier service to the parties at an address as a party may designate by notice. All notices will be effective upon the earlier of delivery or the fourth (4th) day following mailing.

13. Assignment. 3S may assign and delegate any part of this Agreement. Licensee may not assign or delegate any part of this Agreement without the prior written consent of 3S, which consent shall not be unreasonably withheld.

14. Governing Law; Remedies. This Agreement and the relationship created hereby will be governed by the internal laws of the State of California as to all matters, and without regard to the laws of conflict of any jurisdiction. Any action or proceeding arising out of or in connection with this Agreement will be brought and enforced only in the state and federal courts located in the State of California and Licensee consents to the personal jurisdiction of such courts and waives any argument that venue in any such forum is not convenient. Licensee acknowledges that a breach of this Agreement cannot be adequately compensated for by money damages, and agrees that specific performance is an appropriate remedy for any breach or threatened breach hereof. Licensee further acknowledges that any unauthorized use or disclosure to any third party in breach of this Agreement will result in irreparable and continuing damage to 3S. Accordingly, Licensee hereby: (i) consents to the issuance of any injunctive relief or the enforcement of other equitable remedies against it at the suit of 3S (without bond or other security), to compel performance of any of the terms of this Agreement; and (ii) waives any defenses thereto, including without limitation the defenses of failure of consideration, breach of any other provision of this Agreement, and availability of relief in damages. All remedies, whether under this Agreement, provided by law, or otherwise, shall be cumulative and not alternative.

15. Entire Agreement; Amendment. This Agreement and any separate maintenance and support agreement provided by 3S, if any, executed by the parties, constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements, purchase orders and understandings, oral or written, between the parties. Any amendment to this Agreement must be in writing and executed on behalf of both of the parties. In the event that: (i) Licensee issues any

purchase order or other document after the date of this Agreement relating to the subject matter hereof; and (ii) such purchase order or other document contains any terms which are inconsistent with this Agreement; then such inconsistent terms shall not be binding on 3S unless such purchase order or other document is executed by 3S and delivered to Licensee.
